Update July 8th, 4:45PM ET: Clarified how much money Roblox developers make.

Based on recent reports, top Roblox developers are currently generating millions of dollars annually on their in-game purchases.

It's a sad but true fact that where there is money to make you will always find the worst kind of people and Roblox is no exception. There are lots of people out there who will try to gain access to your Roblox account through various means and attempt to make money from it.
